

Atrium

Atrium

Atrium is designed by Anderssen & Voll for Fora Form

Möbelfakta

The chair is inherently uncomplicated and complex at the same time. Atrium is the result of several years of development; it is a well-thought-out combination of design and functionality.

Atrium is created for big occasions and the small moments. Color the room and stack the chairs when the music is turned off. Take a breath and hang the chair on the table when the meal ends; the crumbs are the only ones sitting there. The possibilities are almost endless.

The Atrium is easily adapted by using it as a basic veneer chair with a fixed seat cushion or maybe even a fixed back cushion unless you choose an upholstered seat and/or back. Choose with or without the armrest before choosing which of the five bases best suits your needs.

For easy cleaning, Atrium I and II can be hung on the tabletop or under the table with a hanging bracket.

Technical information:

- Laminated oak veneer in with matt lacquer.
- Seat and/or back cushion.
- Upholstered seat and/or back.
- Laminated oak veneer armrest.
- Atrium I, II and Focus with armrests can be hung on the table to facilitate cleaning.
- Atrium I and II can be equipped with chair hangers on veneer seats with or without fixed seat cushions.
- Atrium I, II and Wood can be stacked 10 pcs without upholstery, 4 pcs with seat cushion
- Atrium can be delivered in dark stained, whitewashed and blackstained oak.
- Atrium Focus has an aluminum base with a move mechanism.
- Aluminum (100% recycled) star base with castors or glides.
- Atrium I and II can be equipped with suspension fittings to ensure floor cleaning.
- The "Hook-On Bracket set" can be attached under the tabletop, where the suspension fittings are hung to clean the tabletop and floor.
